

BAT-Connect Communicator

Alula's new **BAT-Connect** is the ultimate system takeover device, easily upgrading legacy security platforms to a modern, mobile experience. Much more than a basic communicator, this intuitive device smartly bridges intrusion security, video and automation with the Alula iOS or Android Apps. Fueled by the encrypted, lightning-fast Alula network, system control is delivered instantly to the smart devices your customers already know.

Armed with the BAT-Connect, security pros can streamline their takeover business, cut install time and simplify operations. The easy-to-install communicator is broadly compatible with common panels, giving security dealers a game-changer upgrade for 15-Million security systems online today.

-  INSTANTLY MODERNIZE MOST LEGACY SECURITY SYSTEMS WITH MOBILE CONTROL
-  OFFER NEW SERVICE UPGRADES BEYOND BASIC INTRUSION SECURITY
